Thanks Grant and please also pass on my thanks to Michael.

I will ensure that this letter is provided to all Authority members.

Can I also thank MRFF for your constructive and frequent engagement with the MDBA on the NBR. I have very much welcomed your input.

Regards

Phillip

Good afternoon Phillip,

Please find attached a letter for Authority members ahead of your next meeting scheduled for next week. The letter, coinciding with the Northern Basin Review, highlights a number of MRFF's ongoing concerns and urges the Authority members to recommend complementary measures as part of the review's finalisation.

Let me know if you would like to discuss any of the matters further.

Regards,
